ATTORNEY GENERAL'S
MOTION TO SUPPLEMENT RECORD

The Attorney General moves to supplement the record in this proceeding to include information that Northern Kentucky Water District provides in response to an informal request by the Attorney General. Prior to the establishment of a procedural schedule, the Attorney General made an informal request for the District to provide his Office with answers to 16 questions.

On 8 May 2008, the District provided a Response to the Data Request, and, also, this Response was, on the same date, filed with the Commission. The information is relevant and may be of assistance to the Commission in its decision. Therefore, the Attorney General moves that his requests for information (and the corresponding responses) be incorporated into the record upon which the Commission will review for its decision.

WHEREFORE, the Attorney General moves to Supplement the Record in this proceeding.

Respectfully submitted,

JACK CONWAY
ATTORNEY GENERAL
